Rachel Bell is an attorney and is the COO and real estate closing attorney for Pinnacle Title & Escrow LLC. Recently, she was elected to serve on Kaplan Career Institute Paralegal Advisory Counsel as well as hired as an instructor teaching real estate law. Rachel is truly a Woman on the GROW. Recognized last month by Nashville Business Journal, she was named to the elite group of Top Forty Under 40. She credits her single biggest career motivator as "helping people and giving professional assistance to the Nashville community."

Rachel's Top 40 Profile also commented on her strangest work experience, biggest work-related shortcoming, life changing childhood experience, and other interesting facts. To read more about Rachel and others named to the list, visit [www.nashvillebusinessjournal.com](http://www.nashvillebusinessjournal.com).

Rachel has been involved with GROW since last year and enjoys attending the lessons and playing in tournaments when her schedule permits.

*Growing Golfers One Stroke at a Time!*

A Message from Founding President Tracy Pointer [www.growtoday.com](http://www.growtoday.com)

As I reflect on the recent announcements in the news, I further realize that it should not come as a surprise to any of us that tomorrow is not promised. And I know we've heard that statement time and time again. But we must each live everyday to its fullest and maximize on the opportunities that we have. Opportunities to live and love life, help others, and to grow. The little dash that everyone has in common represents our growth and I hate to sound so depressing, but it's just a matter of fact!

On another note, I want to announce our date for a group photo. If nothing else, now is the time to adopt the attitude of, "I have the shirt and I'm going to take a picture in it!" The group picture will take place on Saturday, August 15 at The Vinny Links Golf Course at 9:30 a.m. For those available to play a round of 9 afterwards, let's do so. Attire for the group picture is your GROW golf shirt, and your preference of bottoms. I know the shirt looks great with black so feel free to compliment it with a pair of black capris, shorts, or a skirt or express your individual style & sport the shirt with some plaid, khaki or seer sucker. Just no denim please. Orders placed earlier this month, will be back in time for the photo.

Hope to see you soon!
